Concluding Remarks

Discrepancy around different jurisdictions about SMEs definition

- There is not a specific definition of SME
- Variables: Employees, industry, income, gross sales, size of business, among others
- Puerto Rico SME definition: Up to 250 employees / \$5MM in sales
- SME represents **65%** of Puerto Rico Workforce

Definition of Small and Medium Enterprises (SME)

Country	Employees	Sales (US \$ dollars)
Argentina, Brazil, Paraguay and Uruguay	Micro: up to 100 Small: up to 200 Medium: up to 300	Micro: up to \$400M Small: up to \$2MM Medium: up to \$10MM
Japan	Micro: 1 - 10 Small & Medium: 11-500	Retail: up to \$625M Service: up to \$625M Wholesale: up to \$1.2MM Manufacture, Construction, others: up to \$3.7MM
United States	Micro: 1 - 10 Small & Medium: 11- 500	Up to \$7MM
Puerto Rico	Micro: 1 - 10 Small & Medium: 11 - 250	Up to \$5MM

Puerto Rico's small and medium enterprises (SME) profile

Small and Medium-sized main characteristics in PR					
YEAR 2009	Establishments (less than 250 employees)	Annual payroll (\$ thousands)	Number of Employees	Employees per establishment (average)	Salary per employee, average
Total	45,163	\$12,601,392	556,313	15	\$24,885
