COMMONWEALTH OF PUERTO RICO  
Puerto Rico Industrial Development Company

# What is the Puerto Rico Industrial Development Company?

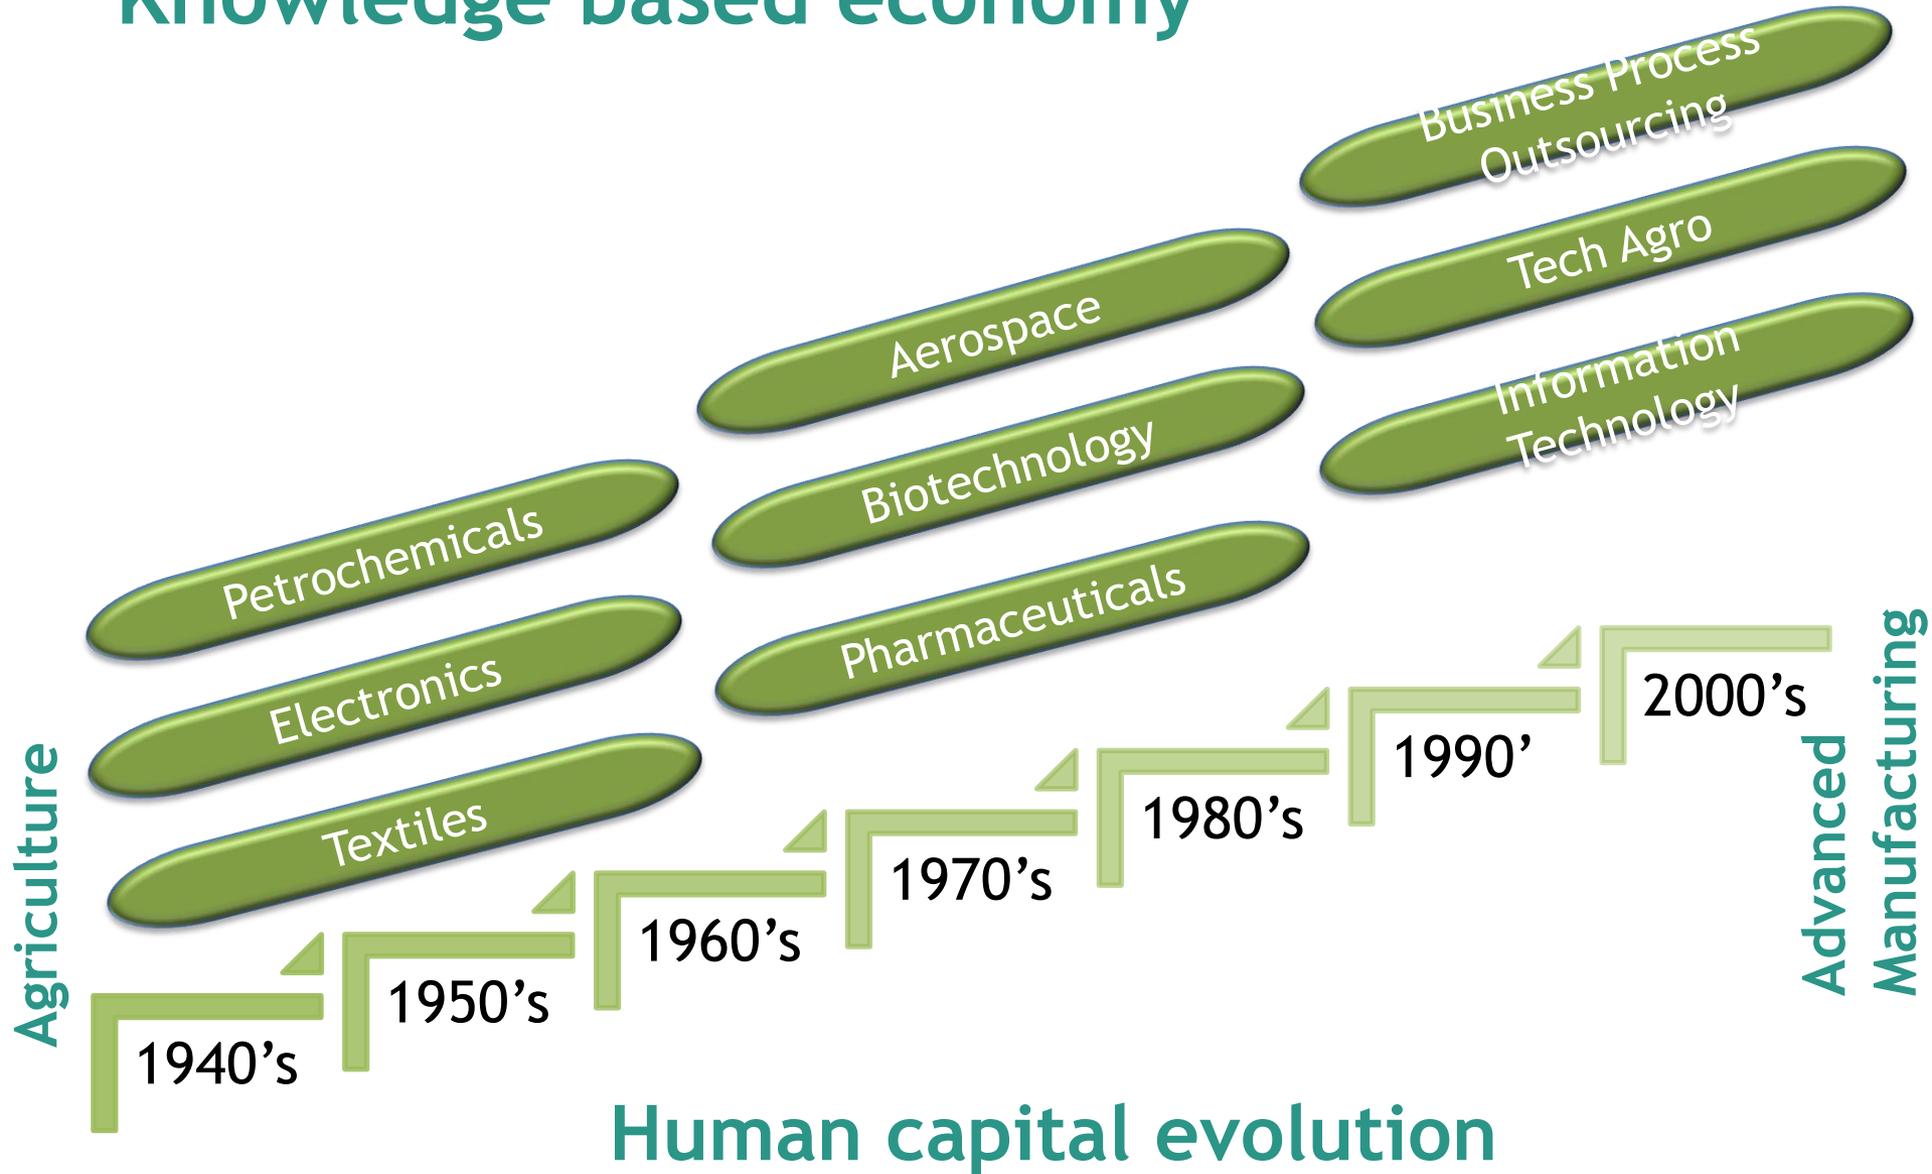

- Puerto Rico's official investment promotion agency, since 1942
- Generating jobs through the development of a vibrant knowledge economy, particularly in the biosciences, information technology, aerospace and renewable energy sectors
- Offers unique tax and economic incentives for companies seeking to establish or expand operations on the Island
- Offers business intelligence, facility selection, project management support, assistance with regulatory and permitting processes and one-stop customer service.
- Offers a wide range of modern industrial parks and sites with relevant infrastructure.
- Hosts over 1,400 client firms, responsible for over 11% of Puerto Rico's workforce

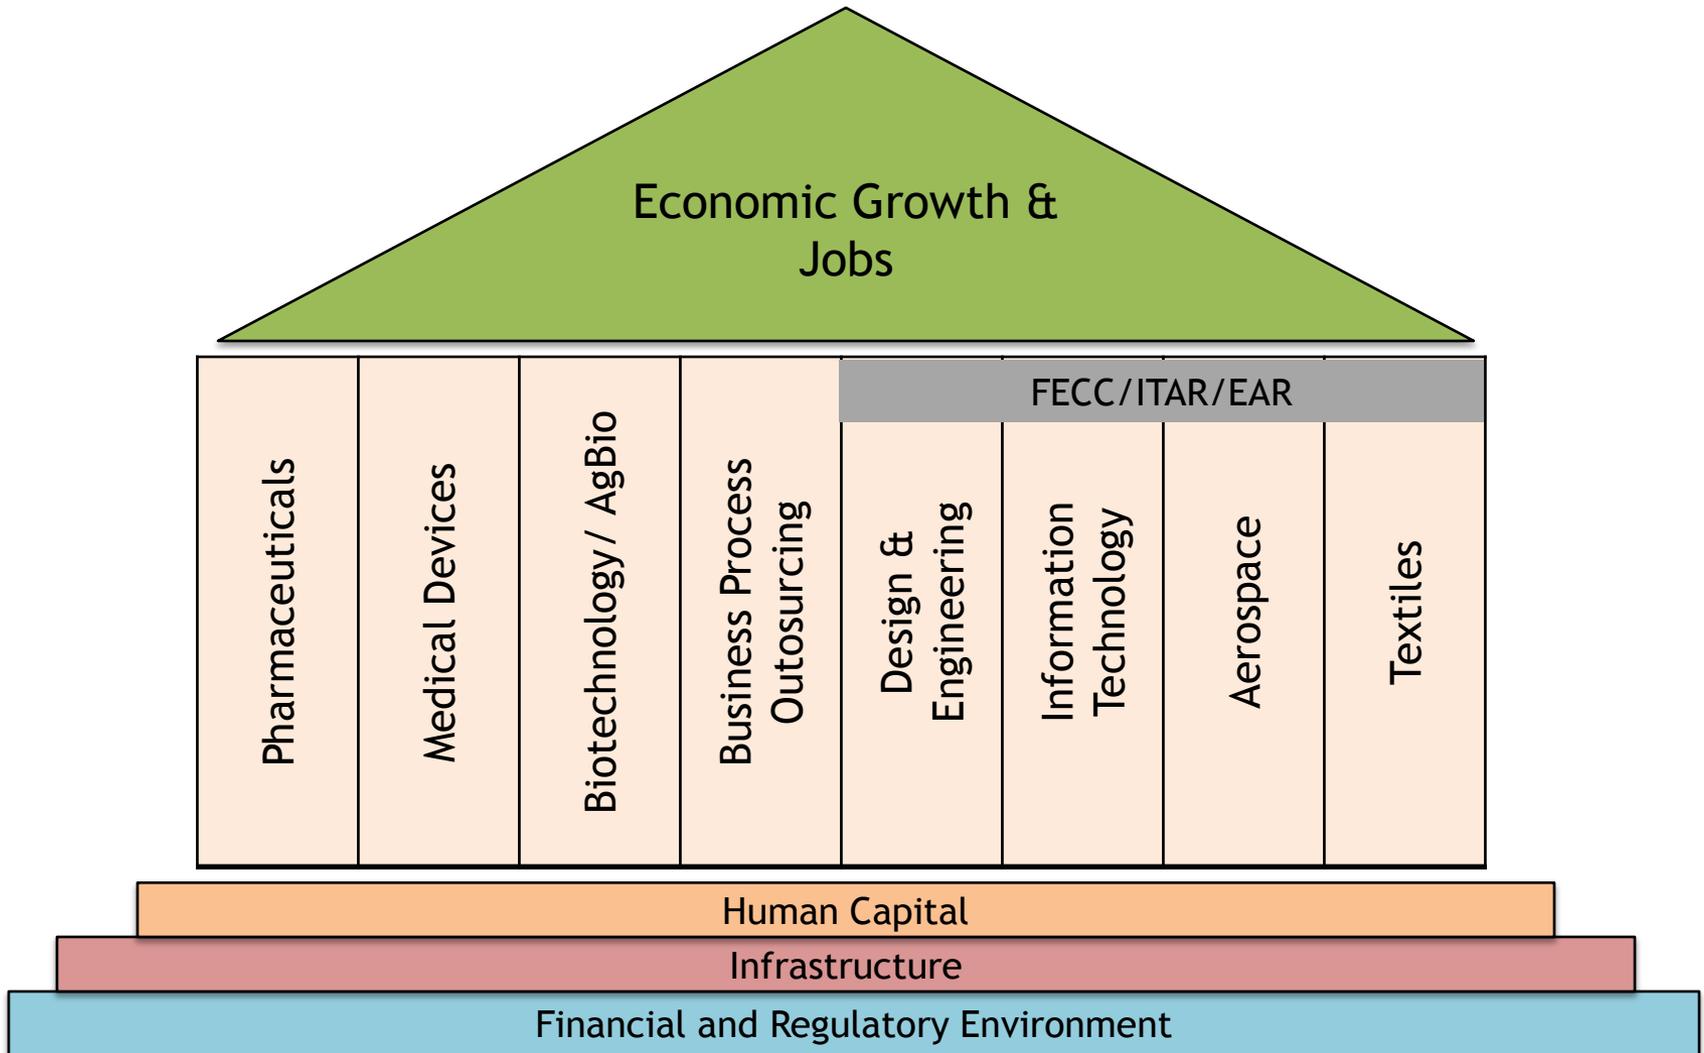

# PRIDCO Priority Strategies

- Repositioning strategically Puerto Rico in the world based on its competitive advantages.
- Retain, grow and attract greater investment in the sectors where Puerto Rico has developed a competitive advantage and in those where we have the resources to offer products and services of highly value.
- Our focus:
  - » Human Capital
  - » Language and Culture
  - » Geography and Logistic
  - » Industrial Infrastructure
  - » Information Systems
  - » Advance Manufacturing Technologies
  - » ITAR / FECC
